Jim - I've reviewed the comments, but we are working on whether we agree or disagree with them and need time to work through them. Not sure what I would discuss with you tomorrow. If you have something to discuss with me, then we can meet. I doubt I'll have much response to any of these, however. I should be able to meet next week to discuss our responses after we transmit them to you. Let me know how you wish to proceed.

Regards,

Good afternoon Kristine. We currently have a placeholder meeting set for tomorrow morning at 11:00am to discuss this material. Have you had a chance to review it yet? If so, we can lock-in that time tomorrow. If not, let us know so Jen can start working on a revised time and date.

Thanks, Jim.

That is tentative. Will depend on whether I have time to review the information sent last night.

I'm waiting on Bob and Jim to send me information (i.e., redline text) on Section 1, which I have not received yet. I will be willing to meet with them after I have received and reviewed the information.
